- All authors should be registered on the **NETSCC Management Information System (MIS)** and their details should be up to date.
- Please supply an ORCID for each author and ensure these have been added to their contact details on the **MIS** (Click the 'Profile' tab, then 'View My Contact Details'). There is a link to ORCID within the MIS for authors to register and acquire an ORCID and add the number to the MIS.
- Please upload the completed form on to the **MIS** when submitting your report.

Authorship

An author is someone who has been involved in the conception and design of the study, or the analysis and interpretation of the data, and drafting or revising the report, and final approval of the version to be published. Please confirm that all the authors satisfy all the criteria before completing the list below. For further information, please see the **Title page** section and the **Authorship** policy in the Information for Authors guidance.

Where a Group is listed as an author, signatories affirm they agree with the membership of this group as it appears in the appropriate Appendix. If any co-authors have questions about the group membership they should contact the Corresponding Author.
